Soaring Through the Week

Be Wise –

Mark Your Calendars!

February 3- Interims sent home this week.

February 14- Valentine celebration-1:30- Please send in Valentines for each student- you do not need to write the names on them- only who they are from. Delivering the Valentines is much easier this way.

*You may send your Valentines into school anytime.

February 17- Teacher Workday- NO SCHOOL

March 6- Track out!

Reading:

- Produce the sounds for each consonant
- Identify the long and short sound for each vowel
- Read common high-frequency words by sight
- Retell stories including key details

Writing: Information Writing

- Uses a combination of drawing, dictating, and writing to compose informative/explanatory texts in which they name what they are writing about and supply some information about the topic.

Math: Counting and Cardinality

- Count to 70 without error
- Identify numbers 11-20- identify groups with more and with less
- Subtraction- learning about symbols

Social Studies: Weather

- Students learn about different types of weather and instruments used to tell about the weather.

**Whoooooo was
our VIP last week?**

Our VIP's the last couple of weeks
were....

Olivia and Hamilton!!!

News from the Teacher:

Please return a labeled baggie with a pair of winter clothes for your child to keep at school.

Valentines Cards: Just write who they are from.
Do not write who they are for.

Specials: Monday-Art; Tuesday- Music; Wednesday-PE (wear tennis shoes); Thursday- Media (return all library books); Friday- Falcon Friday!

Our students visit the SOAR store to "buy" things with the Falcon tickets they earned. Kindergarten's day is Mondays. Please have your child at school around 7:15am.
